- (A) Student responsibility. A student assumes full responsibility for knowing the regulations and pertinent procedures of the graduate school. Generally, the degree requirements in effect at the time a student is admitted to a program will apply through graduation. However, if existing programs are revised, the student has the option of pursuing the revised program if all requirements in the revised program are met. Information pertaining to individual programs can be obtained from the appropriate academic program.
- (B) Admission application process.

attended. Evaluated transcripts should be sent to the admissions portal directly from a NACESaccredited organization from international institutions attended. The

must be submitted when the original objective has been attained or when the student wishes to change objectives. Matriculation status terminates when the time limits for registration after admission or degree/certificate completion have been exceeded or other conditions for continued admitted status have not been met.

- (7) No student will be admitted without approval and acceptance by the academic program and graduate school.
- (8) Non-accredited American school graduates. A student holding a baccalaureate degree from a nonaccredited American college or university, if otherwise qualified, is required to complete at least nine semester credits of post baccalaureate work with a minimum grade point average of 3.00 before being considered for admission to the graduate school. The accreditation status of the school at the time of the student's graduation shall apply. A student should consult with the academic program in the major field to develop a post baccalaureate program.

(C) Additional admission requirements for international students.

- (1) An international student is required to submit to the international center the declaration and certification (v)-10 (e)itedional ter(de)42g(de)423 Tw -4 (r)3 (na)4 (

regularly enrolled student of the university.

(4) Undergraduate students.

(a) "Undergraduate" status is for undergraduate students at the university who may be granted permission to take one or more graduate courses if all the following conditions are met:

(i) Senior standing.

(ii) Overall grade point average of 2.50 or better through preceding term (if a student does not have a 3.00 or better in the major field, special justification will be required).

(iii) Written approval is given by the instructor of the course, the student's adviser, and the graduate school.

(b) These courses may later be applied to a degree program if not used to satisfy baccalaureate degree requirements. The maximum number of graduate credits that may be transferred is 5.
